

**Hello #WPC Fam!**

**#WeAreFamily**

**#BecomingAntiRacistConference**

**THE PRIVILEGE INSTITUTE**  
Research • Education • Action • Leadership

We would like to honor and acknowledge the Indigenous tribes, and tribes who were forcibly removed, including the Ni-u-kon-ska (Osage), Kitikiti'sh (Wichita), Kadohadacho (Caddo), Mvskoke (Muscogee [Creek]), and Tsálǎǵǐ (Cherokee) Tribal Nations as the original inhabitants and keepers of the land and water that we now call Tulsa, Oklahoma. WPC recognizes Tribal members were forcibly removed from their homelands as a result of white supremacist and discriminatory laws, including the U.S. Indian Removal Act of 1830. We assume the responsibility to educate ourselves and others on the Indigenous history and importance of the land and water that we occupy.

**View an interactive map by Native Digital Land**

**We act in remembrance of those harmed by  
white supremacy and oppression, specifically  
during the Tulsa Massacre of 1921 and Trail of Tears.**

**At WPC, we seek truth, speak truth, and take action.**
